

VETERANS' GROUP

**Do you have an ex-service background
and have been affected by dementia?
Then our Veterans' Activity Group may be
of interest to you.**

The Royal British Legion and The Drake Foundation are holding a Veterans' Activity Group that provides an opportunity to socialise, reminisce and chat with others about past careers, participate in activities and make new friends.

It enables people with dementia and their carers to engage in meaningful activities that optimises the opportunity of wellbeing, developing and exploring areas of interest relating to members' past careers in the military.

**The group will meet at: The Royal British Legion Pop-In
174 Armada Way
Plymouth City Centre
PL1 1LB**

**Commencing: Wednesday 4th July at 14:00-16:00
(& alternate Wednesdays thereafter)**
