## 2015 MAY

We have waited a long time to say this: our prayers have been answered! Effective May, 2014\*, the IRS granted 501(c)(3) tax exempt status to GreenStone Ministry. Praise God for His favor and mercy! Thank you for praying! May the Kingdom of God continue to advance in the hearts of His children!

We hope to see you at this year' **Memorial Day Picnic** at the same place and time. Last year 100 adults and children were in attendance! This year's report from the board of directors will be exciting. Also Dorothy Hanson is home for a visit and is looking forward to attending her first GreenStone Ministry Memorial Day picnic.

Dorothy Hanson and Carol Petersen recently attended the **Presbyterian Ethiopian Missions Conference** in California. Many Ethiopian missionaries attended and as always it is good to hear from them first hand. We learned the Centennial celebration of Mekane Yesus (a large Protestant denomination in Ethiopia) will be observed in 2019. Wouldn't it be wonderful if the GreenStone bible printing press could be in operation by 2019 to honor that occasion? Something to pray about!

The GreenStone Ministry Board of Directors US requests your suggestions for names of churches together with contact information who may be interested in showing a video of the 2014 Bible Distribution documentary. Please send us your ideas and we will follow-up together with you! You may view the documentary on the [greenstoneministry.org](http://greenstoneministry.org) web-site. Thank you!
