

LAMBS GROVE

CITY NEWS

SNOW PARKING – 69.10 SNOW REMOVAL. From November 1 to April 1 of each year, no vehicle shall be parked or left standing upon any of the public streets of the City when snow is in the forecast or when one inch or more of snow has accumulated. There is also an ordinance covering not pushing snow into the street. Keep this in mind as you are clearing your driveways.

BURNING LEAVES—Leaf burning is allowed in Lambs Grove. The City has an agreement with Newton Schools not to burn leaves during school hours. Please respect this agreement. Please also respect your neighbors comfort if smoke from your fire is blowing into their homes. No fires may be left unattended and fires cannot be allowed to smolder overnight. Fires are not allowed on city property or on city streets. Burning of garbage is prohibited. Please keep in mind that free composting is available at the Newton Landfill.

TREES – Our town is all about our trees, hence our name, Lambs Grove.

Did you know you need permission to cut down a live tree as well as a dead tree? Did you know if you cut a tree down, you need to replace that tree on your property? Please consider inspecting the trees on your property and arranging for removal of dangerous, dead or low hanging branches.

STREET CARE—Much of our tax money is spent on street and storm sewer maintenance and repair. Another major project will be starting shortly on TJ Road. Please bear with us as we correct a long overdue drainage issue. Help the City control cost by clearing leaves and debris from the street in front of your property. It is very important to keep storm sewer intakes open from accumulated debris.

VOTING – Lambs Grove City Election will take place
Tuesday, November 7, 2017
Polls will be open noon to 8 p.m.
Citizens of Lambs Grove will be voting at the Jasper
County Church of Christ (former Union Hall) on the
corner of 1st Street North and North 19th Ave. East.
Please **VOTE**
