

**Historical Environment, Climate Change, and Human Habitation Patterns: The Medieval Landscape at Herstmonceux**  
**Student Summer Training & Funding Application**

Name: \_\_\_\_\_  
Last First

Student ID: \_\_\_\_\_

Email: \_\_\_\_\_

Date: \_\_\_\_\_

In order for your application to be considered, please write a one-page (single-spaced) statement of interest that explains:

1. How this experience will enhance or compliment your degree at SJU / UW / Queen's.
2. Any prior training or experiences you have that may contribute to your success at the BISC.
3. How you plan to share your experiences with others at SJU / UW / Queen's, or with the broader community.

Priority for funding will be given to those students who demonstrate a strong academic commitment and who are best able to expand upon the points noted above.

By signing below, you:

1. Authorize the program directors to review your academic transcript.
2. Attest that you have completed the necessary registration process for the BISC Summer Field School in British Archaeology through Queen's University. (NOTE: Registration does not necessarily mean that you have paid the fee to Queen's yet; merely that you have submitted all the necessary documentation).
3. Consent to allow the program directors to use any images, likenesses, photographs, video, etc. of you taken during your work on the site for the purposes of research, promotion, and / or advertisement. Such use may include print or electronic media (i.e. brochures, websites, emails, etc.).
4. Agree to provide a one-page written reflection of your experiences to the program directors upon your return to Canada, for their use in future research, promotions, or advertisements.
