It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. North American Dog Agility Council (NADAC)
5190 Neil Rd., Ste. 430, Reno, NV 89502

- All dogs must be on leash when not competing in the ring.
- No leads, collars, food, toys, or other aids or devices will be permitted on the course at any time.
- There will be no refunds in the event that a dog and/or handler are dismissed from competition, regardless of the reason for dismissal.
- 100% of entry fees will be refunded if requested before the closing date. After the closing date, injured or ill handlers or injured, ill or in-heat dogs will receive a refund, less a \$10.00 handling fee. Verification from a doctor or vet may be requested.
- Running order will be determined at the club's discretion. An attempt will be made to separate runs for handlers with more than one dog in a class.

Non-Jumping Classes–Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handle and receive 10% more standard course time. This option is for Veteran/Disabled handlers in non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in the Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Prizes and Awards:

Qualifying runs & placements: Placements ribbons will be awarded to at least fourth place in each jump height for each class (through sixth place for Novice), in each category, except Chances which is a pass/fail class. A purple qualifying ribbon shall be given for each qualifying round in each class.

Columbia Cup Awards: All awards will be based on fewest faults and then fastest yards per second for the combined results of the four (4) Regular runs. 1st thru 3rd place rosettes in Novice Small, Novice Large, Open Small, Open Large, Elite Small & Elite Large (Small=dogs proficient jump height 4",8"&12", Large=dogs proficient jump height 16" and up). Overall winners for Best in Trial Small Dog, Best in Trial Large Dog & Best in Trial Veteran Dog will each receive a High in Trial Award and a \$50 trial entry coupon. Handlers for all dogs who run clean in all four Regular runs will receive an "I ran clean at the Columbia Cup" tee shirt.

You must return a "Columbia Cup Entry Form" (in addition to your official trial entry form) to be considered for these awards. You must enter by the Sept. 5, 2016 closing date to be considered for the cup awards.

IMPORTANT INFORMATION FROM NADAC

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

SKILLED & PROFICIENT CATEGORIES

Dogs must be entered in either the Skilled or the Proficient category. A dog may not be entered in Skilled one day and Proficient on another day. If you enter the Skilled category, you **must** run your dog at one jump height lower than its standard jump height. Dogs are allotted the standard course time for, and are scored and placed in the jump height entered.
