

TAMAROA PUBLIC SCHOOL DISTRICT #5

Phillip R. Hamil, Superintendent

P.O. Box 175

Tamaroa, IL 62888

Phone (618) 496-5513

January 23, 2019

Dear Tamaroa Students, Parents and Community:

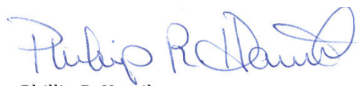

It is difficult, but necessary, that I must write this letter to inform our students, parents and community that this school year will be my last at Tamaroa Grade School District #5. I have accepted a superintendent/principal position at Aviston Elementary District #21. My last day serving Tamaroa District #5 will be June 30, 2019.

Tamaroa is an extraordinary community and it has been a pleasure to serve the past 18 years as a teacher and as District Superintendent. There are not enough words to explain the joys that I have experienced over the years to work with our children. I am a teacher and learner at heart and am proud to have shared those moments. Our students are extremely caring and demonstrate so many qualities that are needed to be successful in the future. I commend our parents and teachers for investing in our young people to ensure continued success. Please always remember that our children are capable and never expect less than their best!

A plan is already being developed to recruit an outstanding superintendent to lead Tamaroa Grade School into the future. Rest assured that the Board of Education will find the perfect fit for our District and that I will do my absolute best to provide a transition of leadership to ensure the continuance of a quality education for our students.

Thank you all for your friendship, support and opportunity. Tribe Pride!!!

Sincerely,

Phillip R. Hamil
Superintendent/Principal
Tamaroa Grade School District #5
