TIRE & WHEEL CLEANER– SCRUBBING AND BRUSHING FREE

DESCRIPTION

Tire & Wheel Cleaner is a water-based, biodegradable cleaner designed to remove tar, road grime, dirty and scuff marks from wheels and tires using powerful detergents and brighteners. This product is powerful without scrubbing or brushing. It does not deteriorate the rubber nor does it harm the paint finish on your vehicle.

FEATURES

- **DOES NOT REQUIRE SCRUBBING**
- **ECONOMICAL**
- **WATER-DILUTABLE FORMULA**
- **LOW PHOSPHATE ALKALINE CLEANER AND DEGREASER**

USE AND DIRECTIONS

Dilute one part cleaner with 5 parts of water. Spray or brush solution over tires

Automatic Washing: Spray solution onto tires before sending through the wash

Manual Washing: Spray solution onto tires, wait a few minutes, then rinse off
