### Parent agreement

As the above named driver's parent or legal guardian, I agree to provide the vehicle and extra battery. My signature indicates my assurance that my child can participate in an activity with moving electronics and that the vehicle we provide will be appropriate for his/her age. I am entering my child into this activity at our own risk.

Signature of Sponsor:

### Driver agreement

I, the above named driver agree to bring my RC Vehicle and charger to camp. I promise to listen to the Club Advisor. I will use my RC vehicle safely. I will support and respect the other drivers. I am responsible enough to keep my equipment for RC Club organized and know where everything is.

Signature of Driver:
