Confederate
Chapter

GREETINGS,

The Confederate Chapter of the Antique Motorcycle Club is alive and well! We have received our charter from the Executive Board of the A.M.C.A. and all systems are go. There has been too little activity in the Southern region in the way of swap meets, shows, and just plain enjoying vintage motorcycles. This chapter was formed to help alleviate these problems. I hope everyone will participate to make this chapter a success. We have a meeting planned for Sunday, March 28, at 1:00 p.m. in the afternoon. The meeting will be held in the garage of the home of Clark Bennett at 3309 Daisywood Lane. This is more or less a meeting to get everyone together to organize and plan our events for the upcoming year. If you'll bring your ideas, I'll supply refreshments. Fair enough? Remember this is your chapter! If you need directions you can reach me most evenings at 795-1656. See you there!

If anyone has a motorcycle or parts for sale let me know and we'll include it in the next newsletter. Also if you have any news of interest to members of our club, let me know and I'll see it's included.

Congratulations to Confederate Chapter member Fleming Horne, Jr. whose 1919 Indian Powerplus was used in the half-time show at the Liberty Bowl. The game was broadcast to many foreign countries in addition to across the U.S.

Also congratulations to Confederate Chapter member Lee Rudd whose 1940 Harley-Davidson Knucklehead won Best of Show at a recent motorcycle show and swap meet in Nashville. Prizes included gift certificates to Boswell's Harley-Davidson in Nashville, a Nashville custom motorcycle shop and a Nashville restaurant.
