

# Lunch Program

(Beginning Wednesday, September 6<sup>th</sup>)

Based on this year's end of the year parent survey, many of the parents wanted a lunch program offered at Kinderprep. Beginning in September we will be offering **Catering Solutions** lunch program here at Kinderprep. We will no longer be heating lunches up. If your child wants a hot lunch, they may sign up for the lunch program or you may send something in a thermos to keep warm. Please make sure to send an icepack in your child's box and utensils each day. Below is the information to open an account for the new lunch program:

Dear Families,

Thank you for allowing us to become a part of your children's lives through our Healthy School Lunch Program. As parents ourselves, we are proud to provide nutritious and healthy meals for your children just as we do for ours. The philosophy behind our program is simple:

1. Prepare and present foods that children enjoy and want to eat.
2. Offer new and unfamiliar items to broaden their developing palates.
3. Fresh is best! We strive to use seasonal fresh ingredients every day.
4. Provide many alternate selections for the more discriminating taste buds.
5. Offer a convenient online ordering experience.
6. Deliver hot food, hot and cold food, on time and accurately.

CATERING SOLUTIONS is proud to be your lunch program provider this fall!

Hot and cold meal options (regular and vegetarian along with many other options) are available each day that school is open.

To begin, please click the link below to create an account for yourself as the parent. You can then add as many children as you would like to that account. If you have ordered previously, please just update your child's school and classroom. Once registered, you will receive an email each month with the following month's menu, generally between the 20-25th. Simply choose which meals you wish to order for the month and submit your order. Confirm your order by clicking the History tab to make certain that your selections were all correct. Drinks, Healthy Sides, Snacks, and Sweets are available for an additional cost.

Please click <http://cateringsolutions.h1.hotlunchonline.net> to create or log in to your account and place orders. If you need additional information, please feel free to contact us via email or phone.

Please be sure to check the policies regarding ordering and cancellation deadlines, allergies and snow day issues.

We look forward to a successful, safe and healthy school year!

Rebecca & Kim Hassouna
