

Joining or renewing your membership with the Upper Manistee River Association online is easy and convenient. We use secure Paypal to ensure you have a safe and secure transaction.

Simply fill out your name and email address in the boxes below and hit submit. That sends us an email that you have joined or renewed.

Next click the “Add to Cart Tab” for your membership level. This will open the Paypal window. You may return to the UMRA window to add a sign package or donations to the UMRA Foundation or Support for Current Projects by adding those to your cart as well.

UMRA Foundation and Support for Projects Donations are set up in \$20 increments. You may add more to these on the Paypal page by increasing the number on those categories before you check out.

Once completed, you simply return to the Paypal page and check out there to complete your membership.

Remember, UMRA memberships run for one calendar year, regardless of when you join or renew.

Thanks for your support!!
