

Be Part Of A Lasting Legacy

We are providing a special opportunity to leave your permanent mark on the new headquarters for McDowell County Emergency Services. Bricks will be placed in the walkway leading to our Fallen Heroes Memorial. Inscribe a 4"x8" Brick or an 8"x8" Granite Stone with a special message to show your support. Honor a graduate, remember a loved one, or pay tribute to someone who has made a lasting impression on your life. Proceeds will be used to purchase training equipment and other furnishings for Emergency Services.
