September 2017

We will be closed September 4th for Labor Day

Movie club: We will be watching the movie, *Going In Style*! For a trailer, please visit our website under events.

Everyone Loves Movie Night: we will be showing Wonder Woman at 5pm. This movie is 2 hr. and 21 min and is rated PG-13

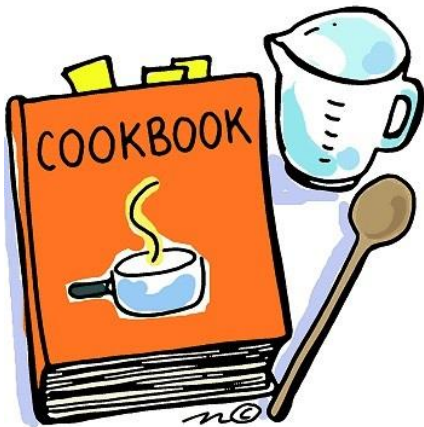

Cook Book Club:

Members will pick a cookbook and decide on recipes each person would like to make.

At the next meeting, the members will cook the recipe they have chosen (AT HOME) and bring it in for the club to try.

This is a fun club for those who like to cook and would like to try new recipes.

We will have little pumpkins hidden around the library. Can you find them?
