RAPTOR™: Bed Liner Kits

U-POL's top-class super-tough durable 2-pack urethane coating. Protects surface against rust, corrosion, salt, damp and extreme temperatures. Restores even the most worn and uneven truck beds or van floor to new pristine-look finish. Dries rapidly to give scratch and stain-proof surface that is also U.V. resistant. High adhesion, waterproof, flexible, helps deaden sound & vibrations. Easy and quick to use, as simple as: FILL - SHAKE - SHOOT®

Features & Benefits

Kits contain 4 x 750ml bottles of base and 1 x 1L of hardener. Enough material to re-spray the largest truck beds. Apply with schutz gun, roller or brush to obtain different textures. Choice of pot life/dry times controlled by the speed of the hardener.
