

BRYSL PRACTICE FIELD INFO 2017

There are different locations where coaches may hold their practices:

- 1) A school within the Bakersfield City School District or
- 2) A city park or other location

AT A CITY SCHOOL

If you choose to practice at a BCSD location, you need to contact Mike Biezd, Director of Coaches, at 872-5105. The schools we have reserved this year include Compton, Chipman, Franklin, Longfellow, Munsey, and Thorner. You will need to give the school, days and times you would like to practice. Remember, you may only practice two (2) days per week. If you are a U6 or U8 coach, your practice can only last for 1 hour. U10 practices can go for 1 hour, 15 minutes, and U12 and above can practice for 1 and a half hours.

The BRYSL has a good relationship with the Bakersfield City Schools, and we greatly appreciate their cooperation in letting us use their facilities at no cost. Therefore, it is very important that coaches:

- 1) Not practice before 5:45pm, and at some schools, 6:00pm.
- 2) Adhere to their assigned days and times of practices. **NO FRIDAY PRACTICES AT SCHOOLS!!!**
- 3) Ask parents to park in designated parking areas. **DO NOT PARK IN BUS LOADING ZONES!!!**
- 4) Do not hold practices during Back to School Nights.
- 5) Help keep fields free of litter. No smoking on school grounds!

Any problems or questions regarding school practice facilities should be sent to Mike Biezd (see phone number above).

AT A PARK OR OTHER LOCATION

Many coaches prefer practicing at other locations, such as city parks, Bakersfield College, high schools, or private schools. The BRYSL has not been granted permission to use any of these locations for practices. City parks are used on a first come, first serve basis. If the coach chooses to practice at other locations (BC, HS, or other schools), it is the coach's responsibility to make arrangements with the proper agency involved.

NOTE: Coaches must always have their players' registration forms at all practices and games!!!
