New Business: The board discussed the budget items for general fund. Lyons stated he has had comments about the Secretary not staying until 4:30 pm. He pointed out that the union contract states; she is allowed two 15 minute breaks and one unpaid ½ hour lunch to be taken at specific times per day. She is choosing to take them at the end of her work day. Boyd will check on the rules. Discussion was held in regards to a wage increase for the Clerk and Treasurer from the water/sewer department not from the General Fund.

A discussion was made concerning the gym and pavilion rate charges for residents vs. non-residents. Boyd will be checking on this. A question was also asked at the previous Budget Workshop if the .14 per transaction ACH fee to the Township can be billed back to the individual customer using the service. Supervisor Boyd checked with MTA and they stated that fee cannot be billed back to the customer by the Township.

The Deputy Clerk wage increase was brought up. Segalin stated she will check to see if a raise is feasible in the budget- from \$11.75 to \$12.10.
