2024-2025 Season

Important Information

Tuition has been posted to all dancers accounts based on the registration we have for them in our system. If you notice that there is an issue or discrepancy, please reach out so that we can get it squared away.

Our themed holiday show, “Christmas in New York” will be held at **Bob Hope Auditorium (XHS) on December 21 at 7pm**. Handouts with hair, makeup, and costume info are available at the front desk. **Dancers are expected to arrive ready with hair and makeup done at 6:30pm.**

We are in full swing of learning our holiday routines for the show so we ask that families make it **a priority for their dancers to be in class** each week leading up to the show.

If you know your dancer will be **unable to participate in the Holiday Show**, please let your teacher know or reach out to us on Facebook Messenger! We still encourage them to participate in class.
