

Official Bean Bag Rules Cozzie's Tavern & Grill 8/1/2017

1. Each team has 4 bags to throw. (Rock, Paper, Scissors to choose Bag color). Corn filled tournament regulation bags are the only bags to be used for league play.
2. Bags will be placed on courts before league play begins. Bags are to stay on those specific courts the entire night of league play. Bags are not to be removed or taken by players and placed on other courts.
3. If a player(s) is over 15 minutes late for a match, they must forfeit that match
4. Each player must throw from behind the front of the box. The player MUST NOT pass the front of the box or the throw does not count, and the bag is removed.
5. Each team alternates shots, beginning with the team that scored the last point.
6. SCORING: a. Points are scored when a player has a bag on the board or in the hole. b. Only one team can score points per round because points cancel each other out i. A bag put on the board = 1 point ii. A bag put in the hole = 3 points c. The maximum amount of points scored in a single round is 12 points. (4 bags from the same team in the hole)
7. The game is over when one team scores 15 points. a. If a team goes over 15 points, that team goes back to 11 points and continues on.
8. A bag that hits another player's bag or any other bag is legal and still in play. If a player throws a bag and the result is that it hits the other player's bag in the hole, that bag in the hole counts as such. If a player knocks another player's bag off of the board, that bag stays off of the board.
9. A bag that hits the ground for any reason is considered dead. If a bag bounces and lands on the board, it is dead and must be removed from the board before play may continue.
10. ***If both players prefer the same side of the board, simply alternate, otherwise each person will have their own side***
11. Subs – If a team has a sub(s), that sub(s) must play the entire night. All scheduled matches. Subs are for the entire night of play and cannot come in and out of play throughout the night. Even if you just can't play one match, you must have a sub for the entire night of play so that there is some consistency and fairness in match play.
