

Montgomery Moms

President's Note

Happy September! Hopefully everyone has eased back into school and is enjoying being back in a routine - I know I am!

The Board has been busy putting together a great fall of events - Lodge meetings, couple's party, Moms' Night Out - look for all the details within the newsletter. I hope to see many of you at these fun events!

Please continue to spread the word and encourage all of your local friends to join us! Our greatest recruitment tool is word of mouth and of course, the more the merrier! Friends, neighbors, coworkers can always join an event or two for free.

See you all at our next meeting - **Tuesday, September 11th, 7:30 pm at Terwilliger's Lodge.** We will be having a potluck to catch up with old friends, and meet new ones, too!

Have a Great Month!

Maria - President, Montgomery Moms

Contact Meghan Donnellon Hyden to discuss any questions you have, and let us create or update your estate plan to provide you and your loved ones peace of mind.

Making sure your family is taken care of after you're gone is difficult to think about, but we are here to help walk you through creating, or updating, an estate plan to ensure that your children and family are taken care of when you are gone. Creating a Will or a Trust with provisions for your children, is a very big and important decision. We help people every day create Wills, Trusts, Powers of Attorney, and Healthcare Directives so that their wishes are honored. For you, this means ensuring your children are taken care of, and your money passes to your family, all in a way that makes the most sense for you and your family.

With programming for children ages 2.5-5 years old, we strive to educate the whole child by targeting academic skills, social-emotional learning, and in sharing an understanding of God's love for us. Our programming provides children with a play-based curriculum rooted in the Ohio Early Learning Standards with an emphasis on kindergarten readiness. We offer enrichment opportunities for children such as fitness, science, art, music, and yoga!
