

The Spoken Word: A Proven Power for Life in You

"... A methodical, careful, intentional writer. So clean, so simple, so self-evident. Gaynelle's treatment of *The Spoken Word* surrounds you like a gentle and trustworthy guide on a time-worn journey into the *more* God has for us. She uses the thoughtful device of apologetic inquiry into the thousand objections our hearts throw up to following God's word. Even the most jaded hearts find encouragement for the journey. Gaynelle strikes a trail through the less-attempted *softer* side of God's word to us. In this terrain God's grace makes even our *not-so-best* moments release God's word in our lives. Her treatment makes you *WANT* to hear God's spoken word, just to have the chance to be found faithful...or not...and feel, in either case, close to your good, good Daddy."
