

## One Supplier One Source

You're making a wise choice when you purchase your office, food service and industrial equipment from HIS Mechanical. We sell, install and service ice machines, refrigerators, dishwashers, microwaves and refrigeration equipment. There's no need to go to different suppliers, we'll take care of all of it for you. Count on HIS Mechanical to provide you the latest innovations in appliance features and designs.

## Professional Installation

We offer professional installation for all types of kitchen and restaurant appliances. Our company has delivery trucks and an installation team to fit all types of jobs. Every installation technician is trained and certified on installation and service.

## Maintenance

We offer maintenance contracts suited to your individual requirements; quarterly, semi-annual or annual. Our contracts meet your needs for everything, ranging from cleaning and filter changes, to total repair coverage.

## Appliances

We sell and service appliances for office, food service and industrial applications. Everything you need, such as refrigerators, microwaves, dishwashers, ice machines and refrigeration. We offer quality brands like Amana, Beverage-Air, GE, Hoshizaki, Hot Point, Manitowoc, Scotsman, and True.

## Ice Machines

Our technicians at HIS Mechanical are experts in all brands of ice machines, including Hoshizaki America, Scotsman and Manitowoc. We are one of only a handful of companies in the Houston area that carry the label HCSR (Hoshizaki Contracted Service Representative).

## Refrigeration

We can sell, install and repair all types of commercial refrigeration appliances; from walk-in coolers to under counter refrigerators and everything in between.

## Reverse Osmosis

We sell, install and service reverse osmosis systems. Reverse Osmosis is the optimal way to rid water of impurities. Specially designed for office and small business usage, R.O. systems utilize incoming water line pressure to push tap water through a special membrane. This process significantly reduces the contaminants and conveniently rinses them down the drain, extending the life of equipment and providing bottled water quality product to the employees.

## Service and Maintenance

We service, lease and repair all brands of ice machines, refrigerators, microwaves, water filtration and dishwashers. Join hundreds of customers with thousands of appliances that trust HIS Mechanical with their repairs and maintenance needs. (References upon request.)

From installation, to warranty, to repairs and maintenance contracts, we do it all! At HIS Mechanical we mean it when we say, "HIS is the service standard". Our goal in life and in business is to show our love for the Lord through our commitment to service. Every day, every call, we do our best to solve your appliance, refrigeration and water quality needs. We make mistakes, but when we do, we promise we'll correct them at no charge.
