

**We are pleased to announce that we received a message from the North Pole yesterday and our dear friend Santa has decided to come and visit Bagdad on Saturday December 14th beginning around 0900ish! He will be parking the sleigh and letting his reindeer rest while he takes ride on the fire truck visiting the entire Bagdad fire district. So parents have your babies ready to come out and say hey. Listen out for the music and the jolly laugh!!!!!! Santa says he "will see you soon."**
