General Judge: Ron Nurdyke

..."Discovering Beauty in the Commonplace"

As a small child, all Ron Nurdyke dreamed of was being an artist. After graduating with a BFA from the University of Nebraska – Lincoln, Ron and his wife spent over twenty years teaching Art for the Chappell Nebraska public schools. Since 1999 he has focused on painting many subjects, commissions, & murals, mainly in acrylics. Recognized regionally for his "Landscape Quilt" paintings, Ron uses the juxtaposition of objects and ideas to create visual metaphors in his works and searching for "meaning." He enjoys the awesome beauty of a sky, a landscape, a face, or just something old, weathered, and worn. Looking for ways to visually express the overlapping of the "natural" God-created world fuels his artistic fire. RNurdyke.com

Student Judge: Val Gillotte

Val Gillotte resides in Haxtun, Colorado. Val spent most of her career teaching art in the Haxtun Public Schools and raising her and husband, Mikes, daughter and son in this community. Val taught art in both the elementary and high schools in Haxtun and was well recognized by her students for she creativity in the classroom and her caring attitude toward all of the hundreds of students she has had in her classroom over the years. Her successful teaching career is evident in the many student awards and artwork displayed throughout the Haxtun Schools and Northeast Colorado region. We are pleased to have Val and we know you will enjoy her ideas and insight during the critique, after the judging, for all participating students who wish to attend this year. Plan to be there!
