Flagstone Financial Advisors, Inc. is registered as an investment advisor with the state of Colorado. The firm only transacts business in states where it is properly registered, or is excluded or exempted from registration requirements. Registration as an investment advisor does not constitute an endorsement of the firm by securities regulators and does not mean that the advisor has achieved a particular level of skill or ability.

All investment strategies have the potential for profit or loss. Changes in investment strategies, contributions or withdrawals, and economic conditions may materially alter the performance of your portfolio. Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment or strategy will be suitable or profitable for a client's portfolio. There are also no assurances that a portfolio will match or outperform any particular benchmark. Asset allocation and diversification do not assure or guarantee better performance and cannot eliminate the risk of investment losses.

Market reviews should not be regarded as a complete analysis of the subjects discussed. All expressions of opinion reflect the judgment of the author on the date of publication and are subject to change. Information presented does not involve the rendering of personalized investment advice or as an offer to buy or sell, or a solicitation of any offer to buy or sell the securities discussed.
