Event points and Scoring:

- +5 points for a loss

- +15 points for a win
- +1 point if you kill your opponent's highest ranked officer
- +1 point if you keep your highest ranked officer alive
- +1 point if you kill your opponent's most expensive unit
- +1 point if you keep your most expensive unit alive
- +1 point if you get one of your units within 12" of your opponent's table edge at the of the game

7. WINNING THE TOURNAMENT

The winner is determined at the end of the last round, according to the following criteria:

- The player with the most points will be the winner.
