

Northern Arizona Law Enforcement Association President Mike Fane and Ammo Incorporated Celebrate 3 Year Joint Venture Providing Members with Access to Discounted High Quality Ammunition.

SCOTTSDALE, AZ 9/22/2017 – Northern Arizona Law Enforcement Association (“NALEA”) and Ammo Incorporated (“Ammo” or “Ammo Inc.”)

As of August 11th 2017, (Scottsdale, Az) Northern Arizona Law Enforcement Association and Ammo Inc. celebrated their new joint venture, the “Shield Program”. We are very excited and feel this is a great opportunity for our members to have huge savings on great ammunition.

President Mike Fane was introduced to the AMMO Incorporated “Shield Program”, designed specifically for Law Enforcement Agencies and Associations, and immediately saw the benefit opportunity that could be passed along to the members of NALEA. To briefly summarize the Ammo Inc. “Shield Program”: NALEA members have a private online portal that they access to purchase Ammo Inc.’s broad spectrum of ammunition at less than wholesale pricing. This is fantastic news for our members.

Toby Sanchez, Ammo Inc.’s “Shield Program” National Director, stated, “The Shield Program is a great opportunity for Ammo Inc. to contribute to the Law Enforcement Associations and their members. We pride ourselves in the quality of the products we manufacture. There is no other program in the country that is providing the price-point that the program is committed to offering to nation’s Law Enforcement. It is our goal to have the men and women that are courageously protecting us and our families to be practicing with and carrying the best possible ammunition and, of course, at unbeatable pricing.”
