AUTHORIZATION AND RELEASE

IMPORTANT: READ CAREFULLY

Louisiana Revised Statutes 17:3884 provides that a school board considering the employment application of a person who has been evaluated in another school system shall request such person's evaluation results as part of the application process and that the board to which the application is being made must inform the applicant of this requirement. Accordingly, **Lincoln Parish School Board** will request evaluation results from the school districts which you have listed on your application. You will be given an opportunity to review the evaluation results received and to provide a response or information as you deem appropriate. Written responses will be retained with your application.

Louisiana Revised Statutes 17:15 requires all applicants for employment to be fingerprinted in order to assist in a background check of the employee. Should any applicant (or employee) have been convicted of or plead guilty to one of the criminal offenses set forth in Louisiana Revised Statutes 17:587.1(C), that person is generally precluded from further employment with the school system.

Louisiana Revised Statutes 17:81.9 requires a school board receiving an application to request that all current and prior school board employers of the applicant to provide it with all information relative to instances of sexual misconduct with students committed by the applicant, if any. This law further provides that the applicant must release all such employers from liability as may result from the release of such information.

I certify that the information which I have provided in my application is true and complete. I understand that furnishing false information or omitting information could disqualify me from consideration for employment or could lead to my discharge from employment. You are hereby authorized to request documentation and information relative to my prior teaching experience, evaluations, and sexual misconduct with students from all current or prior school system employers. In consideration of your accepting and considering my job application, I hereby release the **Lincoln Parish School Board** and all current and former employers, their agents and employees from any liability connected with such disclosures and do hereby authorize my current and prior employers to release such information and documentation as may be requested in connection with the application process to the **Lincoln Parish School Board**.
