

April 14, 2020

To Whom It May Concern,

Due to the unforeseen circumstances that have taken place with the COVID-19, Swartz Creek Hometown Days Festival that was to be held on May 28 – 31, 2020 is cancelled.

Our Board of Directors have been preparing for this event for a long time and so it saddens us to a great extent to cancel it at this time. The reasons for this are, we are not confident we could provide a safe environment, considering the pandemic, for our volunteers, partners, and our community.

It is our hope that you will participate in our event next year and appreciate your understanding.

Stay Safe and Healthy,

Brenda Huyck  
President
