

EMPLOYEE OF THE MONTH

Cheryl Lefler

February 2015

Central Office Cost Center

Cheryl Lefler is the February 2015 Employee of the Month! February is a very busy time, and Cheryl has handled multiple priorities well. Managing the procurement process, preparing the Capital Fund documents, running a bid solicitation, prepping job descriptions, and spending time with each of the program managers would all be considered substantial tasks in and of themselves, and Cheryl makes it look easy. She is truly engaged in the work we do, she believes in our mission, and works for the good of the Knox County Housing Authority in every project she tackles. Great work Cheryl!
