

## **Board Certified Behavior Analyst (BCBA) – Newly Certified Welcome**

ReachABA is one of the premier ABA agencies in the Chicagoland area providing high quality Applied Behavior Analysis services to clients in their home. If you are passionate about working with children and their families, and passionate about teaching and working with others to provide the best services, ReachABA is the place for you.

We are looking to add a new BCBA to our team of stellar analysts. If you are looking for a new position or are newly certified, this is the opportunity to belong to a group of talented BCBA's and bring your expertise to life.

### **The ideal candidate will have the following qualifications:**

- Minimum two years of experience working with children with autism or other developmental disabilities
- Demonstrate independent working skills alongside the ability to collaborate within a team dynamic.
- Prior supervisory experience
- Strong communication and writing skills
- Minimum of a Master's Degree in Applied Behavior Analysis or related field
- Current BCBA certification (OR pending certification from the most recent testing window)
- Competency writing treatment and behavior plans
- Experience with a variety of assessment tools
- Ability to provide effective training and supervision
- Eagerness to share knowledge and continue to learn
- Strong work ethic

### **Responsibilities and Duties**

- Maintain assigned caseload of 6-10 clients to include direct sessions when needed,
- Conduct assessments, develop related treatment plans, and create programming for assigned clients
- Maintain consistent oversight and ongoing training of RBTs assigned to cases to ensure accurate program implementation.
- Provide appropriate supervision to RBTs and BCBA-candidates as needed
- Provide appropriate and effective parent training sessions
- Meet at a minimum bi-weekly with assigned supervisor to review cases and update on issues as they arise
- Complete quarterly progress reports for each client.
- Review data weekly and adjust programming on an on-going basis
- Promote a positive, team orientated atmosphere among staff and colleagues
- Build and maintain client relationships to promote positive results
- Attend weekly BCBA collaboration meeting with clinical team

### **Benefits**

- Medical Insurance
- Dental Insurance
- 401K w/Match
- PTO
- Paid Holidays
- Maternity/Paternity Leave
- Low Billable Requirements
- Billing Bonuses
- Collaborative Teams
- Flexible Schedule
