

# SAVE THE DATE!

## One day training with 6 CEUs coming to Florida

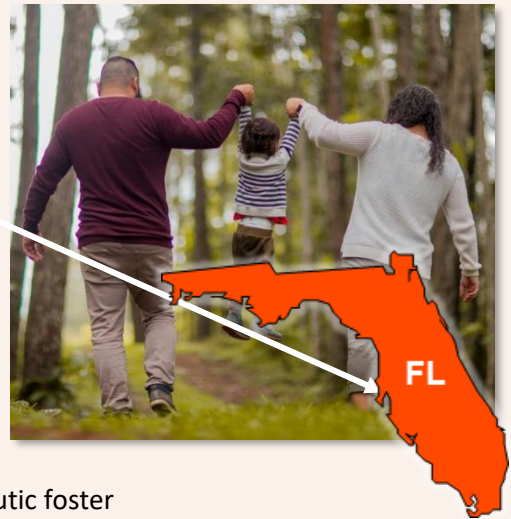

St. Pete Beach, Florida

Functional Family Therapy: A Family Centered & Evidence-Based Treatment Model for Mental Health, Child Welfare and Foster Care Settings

**Training Date:** September 29<sup>th</sup>, 2022, from 9:00am – 4:30pm

**\*Location:** [Bellwether Beach Resort](#)  
5250 Gulf Boulevard  
St. Pete Beach, FL 33706

**Who should attend:** Social Workers  
Counselors  
Grad Students  
CBC & BH Administrators  
Nonprofit Administrators  
Private Practice Clinicians

### **Overview:**

This training will illustrate the use of Functional Family Therapy in a variety of contexts including mental health, child welfare and therapeutic foster care. Using video tapes, and case examples the focus will be on the unique application of the core principles of FFT to complex mental health problems of young people.

### **Learning Objectives:**

- Participants will gain knowledge to show FFT's ability to be both precise and "evidence based" while at the same time being family centered
- Participants will learn how technology brings family voice into the center of clinical decision making
- Participants will learn how FFT can fit in mental health, juvenile justice, child welfare, and foster care settings

### **Cost:**

- \$100 before September 1<sup>st</sup>
- \$125 after September 1<sup>st</sup>
- For Groups 3 or more, contact us for special rate

### **Presenters:**

**Thomas Sexton**, Ph. D., ABPP: Course Development/Instruction. Dr. Sexton is a model developer of FFT and is the CEO of FFT Partners.

**Marta Anderson LCSW**: Social Work CE Liaison. Marta is the Implementation and Quality Assurance Director of FFT Partners.
