## VILLAGE OF GOLD RIVER

### PUBLIC NOTICE

Friday, January 13, 2017

**BOIL WATER ADVISORY HAS BEEN LIFTED**

### **ALL INDUSTRIAL SITE WATER USERS of the Village of Gold River Water System**

This is to notify Industrial Site users that we have been advised by Island Health Authority (VIHA) that the boil water advisory has been lifted.

**THERE HAVE BEEN NO HEALTH INCIDENTS REPORTED AT THIS TIME**

Users may experience discolored water and air locks.  
We recommend that you run your cold water for 10-15 minutes to clear the lines.

**WE APPRECIATE YOUR COOPERATION**

**DETAILS OF CURRENT INFORMATION**

VIHA (Island Health) has advised the Village of Gold River that the boil order has been removed. Following routine sampling and regular monitoring of the system since the notice was put in place on January 10, 2017, the Village of Gold River and Island Health have confirmed that water quality in the system that supplies the Industrial Site subdivision is safely within provincial drinking water guidelines. Notice has been posted to the municipal website at [www.villageofgoldriver.com](http://www.villageofgoldriver.com), the local Conuma Cable Community Channel and the Gold River Buzz at [www.goldriverbuzz.com](http://www.goldriverbuzz.com).

For more information please contact the Village Office at (250) 283-2202.
