DID YOU KNOW?

National Bible Week

National Bible Week in the United States is annually observed from Sunday to Sunday of Thanksgiving week. It has been so observed since 1941 when President Franklin D. Roosevelt issued the first national proclamation. In the sixty-six years since, every president has issued a national proclamation, as have many governors and mayors, with U.S. senators and representatives also reading celebratory speeches into the Congressional Record.

The emphasis in the local church has always been to encourage reading and study of the Bible and learning of biblical history and content.
