WINNEBAGO COOPERATIVE TELECOM ASSOCIATION

Winnebago Cooperative Telecom Association (WCTA) is an innovative, progressive telecommunications company headquartered in Lake Mills, Iowa. WCTA is looking for full time technicians to aid in installation and repair of services on our recently constructed fiber optic network.

The primary role of this position is to work with our members to install, troubleshoot, maintain and instruct customers on WCTA voice, video and internet services at the customer premise. WCTA technicians also maintain the integrity of the network by responding to cable locate requests, repair and maintenance of equipment, provisioning of software, and many other tasks as needed to ensure our services are working as well as possible for our members.

First-class customer service is a core value at WCTA. Technicians work closely with office personnel and members to make sure that the services that they rely on are installed and repaired promptly with a positive attitude and a helpful demeanor.

The telecommunications industry is a fast-paced and constantly evolving industry. The ideal candidates for this position are able to adapt to new technology quickly and with little assistance from others, take pride in the appearance of projects they work on, have a strong work ethic, positive attitude and a passion for helping others.

WCTA offers:

- 401K plan
- Health insurance
- Dental insurance
- Life insurance
- Paid Time Off (PTO)
- Competitive wages
- Discounted services

Looking for candidates with:

- Positive, optimistic attitude
- Strong work ethic
- Technical ability to learn constantly evolving telecommunications and computer technology
- Skills required to work in a team environment and independently
- High school diploma and valid driver's license
