Where does Unity start? Unity starts at the NA Home Group on how we carry the message. What message we carry, if are Home Group are unified with the message of complete abstinence from all mood changing chemicals and mind altering Drugs. All NA Home Groups can have a format as long as they are unified in the message of recovery from active addition and all addicts are welcome as it talks about in the Basic Text Chapter Two “What Is the Narcotics Anonymous Program”

This Unity we talk about in the NA Program deals with are message from active addition and how we recover through the twelve steps. That any addict anywhere can recover in total complete freedom to go and come as they feel without feeling they have to be here, they stay here on their own free will seeking recovery through the twelve steps.

This program is a choice are sharing primary concerns itself with honest sharing on how we stay clean through the NA Program. Are steps and traditions are set down in an order that are unified in a set of principles that work to ensure that any addict can recover through the program of NA without being forced on the addict. We have no caste system in Narcotics Anonymous all addicts are welcome. It does not matter what drugs we did, only in what we want to do about are problem, this is where are Unity of are message is the same. There is no difference in the NA message the message is unified in that any addict anywhere can stay clean and recover in the NA Program.

1 Our traditions are written in order for a reason. We hear this over and over but what
2 does it mean? We believe the principle of unity because without it the rest of our
3 traditions are compromised. Our literature says personal recovery depends on NA
4 unity, and that unity is dependent on how well we follow our traditions. What is the
5 biggest threat to NA from within? Not following our traditions causes disunity. Several
6 ask "how can we improve NA unity?" We need to start at home just like how we work
7 steps. The difference is with steps home starts with individuals. For our traditions
8 home is our home group. If each addict does their part to follow NA traditions in our
9 home "the principle of unity comes first because without unity of purpose all our other
10 traditions are compromised"...Disunity happens when our traditions are altered,
11 changed or compromised. "How can we improve NA unity ". NA unity as a whole we
12 will grow.

13

14 Where does Unity start? A dictionary defines Unity as a whole or totality as combining
15 all its parts into one.

16 So Unity starts at the NA Home Group. Home Groups are unified with the message of
17 complete abstinence from all mood and mind altering chemicals for recovery to be
18 possible. All NA Home Groups can have different meeting formats as long as they are
19 unified with the message of recovery from active addiction. All addicts are welcome as it
20 mentions in our Basic Text Chapter Two "What Is the Narcotics Anonymous Program"
21 This Unity we talk about in the NA Program is not the same as uniformity. Our diversity
22 and unity of purpose leads to unity in action. That action is how we recover through

1 abstinence and the twelve steps of NA. That any addict that come to our meetings have
2 the freedom to go and come as they feel without feeling they have to be here, or forced
3 to be here by outside forces, they here on their own free will and free to seek recovery
4 through the twelve steps of NA.

5

6 Our program is a choice. Our sharing primarily concerns itself with addicts sharing on
7 how we stay clean through the NA Program. Our steps and traditions are set down in an
8 order that are unified through a set of principles so simple in their practice, that any
9 addict can practice and recover through the program of NA. We have no caste system
10 in Narcotics Anonymous all addicts are welcome. It does not matter what drugs we did,
11 only in what we want to do about our problem, and how we can help. This is where our
12 Unity of our message is the same. There is no difference in the NA message no matter
13 what NA meeting we go to. The message is unified in that any addict anywhere can stay
14 clean and recover in the NA program. Work In Progress for review and input only
