PATCHOGUE

Weather permitting, ice yacht races will be held here next Saturday between ice boats of the Lake Ronkonkoma Iceboat and Yacht Club and scooters owned by South Bay racers. The Ronkonkoma fleet has ben tuning

The Ronkonkoma fleet has ben tuning unduring the past week and the Iris, a famous—Poughkeepsie racer, now owned by Commodore W. D. Gubner; the Radio, owned by Vice-Commodore L. C. Heilman; Zero, Joseph Kirk, treasurer; Bootlegger, Secretary Leo Cattanach, Dr. W. Lucas' Flapper and the fast scooter, Charlotte, owned by George Cummins, are all ready for the starter's flag. The scooter owners from the Great South Bay are experted to enter as many entries. ed to enter as many entries.

All the ice boats except the Iris were built from plans drawn by George Buchout and assembled here after the shipment arrived by freight. George Business after the shipment arrived by treight.

The ideal weather and thick-ice, so free from slush, afforded the skippers of Long Island's first ice boat club offortunity to assemble their boats and tune them up for the first races.

The annual meeting of the Board of Trustees of the Union Savings Bank of Patchogue was held last Friday, for the purpose of electing officers for the coming year and also to hear the report on the bank's official standing. The report showed that the bank is carrying deposits of over four and one-half million dollars and that it has surplus of over \$000,000, also that there are over \$,000 depositors not including the School Savings system of which the bank is custodian. This system has about 1,000 members.

The officers elected were: Emerson

The officers elected were: Emerson G. Terrell, president; Dr. William A. Hulse; of Bay Shore, first vice-president; Hon. Robert S. Pelletreau, second vice-president; Edwin Johan-knecht, Jr., secretary; Robert A. Van Tuyl, assistant secretary.

It is with deep regret that the bank announces the retirement of Walter announces the rethrement of Walter S. Rose who has been in the service of the bank since it commenced business in 1897. Mr. Rose is rethring on account of ill health. Mr. Johan knecht, who succeeds Mr. Rose, has been with the bank 22 years, taking his position a few years after it, was shared.

The trustees of the bank are as follows: Justice Wulter H. Jaycox, Emer-son G. Terrell, Arthur H. Terry, Nel-son McBride, Milton G. Wiggins, Alden J. Woodruff, Gelston G. Roc, George B. Howell, Winfield S. Bennett, E. Eugene Hawkins, John West-erbeke, Robert S. Pelletreau, Arthur M. Swezey, Riley P. Howell, Ralph B. Dayton, Joseph T. Losee, E. Johan-knecht, Jr., John J. Roe, Walter S. Rose and Edgar A. Sharp.

After the meeting the trustees with a few invited guests enjoyed a dinner of Roes' Hotel.

MISS ELLEN DIER Patchogue—Last Thursday at her home in Patchogue, Miss Ellen Dier, who during the war knitted more than 200 pairs of socks for the Red Cross, died at the age of 98 years. Miss Dier, in all the knitting that she did, never wore glasses. She was frequently quoted as saving that the best it es for longevity are regular habits and the determination to ban worry.

Miss Dier was born February 25, 1824, in Queens County, Ireland.

Funeral services were held from Ruland's funeral parlors at 8 o'clock Friday evening, the Rev. Harrington Wilson, officiating. Interment was in Evergreen cemetery, Brooklyn, Saturday morning.

EASTPORT

Last Sunday evening services were in charge of the Christian Endeavor and under the leadership of Mrs. Ver-

The Southside Grange held a very interesting session last Friday evening with a full attendance and several visitors at the literary hour which was in charge of Mrs. Eugene Warner. The debate, Should women be given an illowance to run the home? with Mrs. Mame Edwards and Mrs. Ida Tuttle, affirmative, and Silas Stevens and Egbert Raynor negative. The old-fashioned chorus of adults dressed as school girls and boys singing "School Days," and "The Good Old Summer Time," were well gotten up. Mr. and Mrs. Austin Warner, of Baiting Hollow, contributed to the entering Hollow, contributed to the enter-tainment by giving two fine readings and youll solos with piano and violin accompaniments, which were much accompaniments, which were much enjoyed. Mrs. Ida Tuttle will act as lecturer at our next meeting. February 2. Serving committee for that meeting: Chairman, Mrs. Horace Moit, Mrs. George Co-Tuttle, Mrs. Willis Hallock. Mrs. Howard Raynor, Mrs. Cornelia Lucas, Mrs. James Devlin, A. J. Hallock and J. W. Tuthill. Mr. and Mrs. Lon Albin have refurned home after an extended visit in

New York city. A new shingle roof is being put on the parsonage during the absence of the pastor.

WHITE LEGHORN BABY CHICKS

Poulirymen, attention! Your next year's profits will depend upon your judgment in choosing the right place to buy your haby chicks. We can offer you as fine a lot of chicks as can be bought anywhere. and at very reasonable prices.

and at very reasonable prices.

Our farm is a modern, fully equipped, 20-acre-ranch, devoted exclusively to the breeding of a Utility Strain of heavy laying, vigorous White Leghorns. To that end, we have trapnested continually for years, choosing only the best layers for breeding purposes, and mating them to Cornell Certified and hedigreed cockerels. Our breeders receive special care, and are kept in the pink of condition, so that may may be assured of getting the kind of chicks you want—big, healthy, lively youngsters that will meet your entire approval and prove a source of profit and pleasure and satisfaction. In addition, they have many tyears of selective breeding back of them, as shown by the excellent records of their parents at the Egg Laying Contests at Farmingdale and at Cornell, whence our Certified hens ranked among the leaders, in competition with the foremost breeders in-New York State.

Our free circular contains valuable information for the serious minded poultry raiser. Send for it, or better still: call in person and inspect the farm. Visitors are always welcome.

Electric Laundry

WHAT TO LOOK FOR IN BUYING YOUR ELECTRIC WASHER?

The most important thing to consider in buying a washer is not, how much does it cost, but HOW DOES IT WASH. What, in other words, is the WASHING PRINCIPLE? After 40 years laundry experts have failed to find a quicker, more efficient or more economical washing method than the Thor reversing cylinder principle. All the other desirable features of Thor Wushers are subordinate to the first advantage. Make sure at the start, therefore, that the machine YOU choose is informed in cleaning the most delicate fabrics most of which are far too FINE to put in water. Yot, who ever heard of clothing being damaged by the "dry cleaning" method?
