DIVE IN **Fundraising** **Campaign**

**To help fund the swimming
pool expansion**

WHO

The Kamsack Recreation Board is a diverse group of local community members volunteering their time to explore, identify, coordinate, promote and enhance recreational programs and facilities within the Town of Kamsack and the surrounding area.

We want to improve the health of our community by allowing more people to be more active more often!

To achieve these goals, the Recreation Board continues to recognize and support the Kamsack Swimming Pool as a central part of our community.

WHAT

We launched the Dive In Fundraising Campaign to fund the renewal and expansion of the Kamsack Swimming Pool. The updates include a new liner, a zero-depth entry, a built in toddler area as well as spray features.

This expansion adds over 1,700 sq. feet to the swimming pool!

WHY

The timing is right for the Kamsack Swimming Pool expansion because of its needed repair and its significance to the community continues to grow.

Your contributions will allow us to:

- **Renew Aging Infrastructure**

The current liner has been losing water and can no longer be patched. Once the liner is replaced, the swimming pool will continue to operate for years to come.

- **Remove Accessibility Barriers**

The current swimming pool is inaccessible to anyone who cannot safely and confidently climb a ladder. By adding a zero-depth entry, the swimming pool will become accessible to everyone.

- **Increase Safety**

The current swimming pool is very dangerous for small children and those who cannot swim as the shallow end alone is over a meter deep. By adding a zero-depth entry and toddler pool, the entire facility becomes safer. In addition, by providing swimming lessons and a safer facility, we can reduce the risk of drowning both within Kamsack and the surrounding area

- **Provide Employment Opportunities**

We employ over ten people in Kamsack, with a majority of the positions held by our local youth. This expansion ensures these numbers remain strong.

- **Continue to Serve the Community**

The swimming pool offers services to approximately 20,000 people; including residents and tourists from surrounding Towns, Villages, Rural Municipalities, First Nations and Provincial Parks. We have seen an increase in usage by school aged children and families over the past year.

- **Provide Affordable Services**

We strive to keep fees to a minimum so everyone can afford to swim and access this facility.

DIVE IN

We hope you will consider becoming a key partner in the success of this exciting project for our community!

Consideration Levels

Platinum Plus	\$50,000 +
Platinum	\$25,000 +
Gold	\$10,000 +
Silver	\$5,000 +
Bronze	\$1,000 +
Supporter	Less than \$1000

Recognition

- Name Displayed at the Kamsack Swimming Pool
- A Certificate recognizing your Donation
- Named on the Town of Kamsack Website, Social Media Platforms and Newsletter
- Income Tax Receipt (if required)
