St. Joseph's Polish Society

## Message from the President

Hello to all:

Spring is on a fast approach and we have lots of events on the way. Our events are always a success because of the members that coordinate and help at them. We are very fortunate to have the volunteers we do. Our events are a great way for new members to meet other members in the club and see the way our club works behind the scenes. With the growth of our club grows the need for more help.

Please look at where you might be able to help, stop by and help keep our wonderful club the great success that it is.

We are going to have a float in the Memorial Day Parade this year. It has been a few years since we have participated. Any members that are veterans and would like to ride on the float please let us know. Any members that would like to help setup the float or help with serving food at the club after the parade please look for the signup sheet letting you know the details.

The club needs a spring cleaning. It will take as many members as we can get to get the job done as it is a big building. We will be meeting at 9 am on May 3<sup>rd</sup>. Please consider helping. The more members we get the easier the job will be.

We have reopened our Facebook account, St Joseph's Polish Club. Please check it out, like the page and help us with events by sharing them on your Facebook page. We have been able to reach more people this way and it has helped with getting the word out about some events the public is invited to. Speaking about the public, we will be having an open house to show off our great club! Stay tuned for more details in the next newsletter.

New members please feel free to come up and introduce yourself to me. I always enjoy getting to know our new members. See everyone at the club!

President

Frank Zeleznicky
