

Lost Bridge Village Community Association

2017 SPRING CLEAN-UP

April 21-23

(Friday – Sunday)

9:00 am to 4:00 pm

It's time again for the annual Lost Bridge Village Community Spring Clean-Up. This is a **total community effort**, and would like to encourage all Villagers' to help their neighbors in this clean-up effort.

This will be a good opportunity to dispose of all of that junk that has been accumulating in your garage, yard, etc., over the past year. We will take old metal items you have, such as motors (both electric and gas), washers, dryers, refrigerators, cookers, etc.

We will also be collecting old electronics and tires. Please note there is a limit of four tires per family and tires must be off the rim.

As for batteries and hazardous materials (paints, insecticides, fluorescent bulbs, etc.) residents will need to take these items to specific locations in Benton County.

Bring your items to be discarded to the Airstrip where the dumpsters will be located. The Village will provide volunteers to assist anyone needing extra help in this good-neighbor effort. We will also provide curbside pick-up for items you wish to discard.

Speaking of volunteers, we'll be calling to ask for your willingness to help keep our village clean. If you would like to volunteer, request a pickup, or have any questions about the Clean-Up, please contact Phil Williamson (479-359-1253), or the Village office (479-359-3204). All help will be appreciated, even if it is just a morning or an afternoon. Coffee and donuts will be provided.

Let's make this effort a success for our whole Community: Cedar Acres; Posy Mountain Ranch; Deerwood; Whitney Mountain; Lost Bridge Village. It will help everyone take pride in their community.

***** *As always, a donation is appreciated to defray the cost of the cleanup.* *****

THANKS FOR YOUR PARTICIPATION!
