Ministry Updates

Fall 2017

Dear partners in ministry:

It's been almost a year since we started (Re)Inspire Network because we saw a need and felt called to try to meet that need. Pastors and ministry leaders need encouragement, friendship, professional development, and support. You listened to our vision and came alongside us and supported us, and we would like to say a heartfelt **thank you!** This ministry simply would not exist without **YOU!** It is so fulfilling to see pastors come together monthly, contact our organization for help, or watch one of our video sessions to get encouragement. Your financial support, prayer support, and just your overall encouragement has helped us press forward. Thank you!

Over the past year, we have seen lives impacted through the ministry of the (Re)Inspire Network. We welcome you to read through this newsletter and see what God is doing through **your** generous financial donations and prayers!

Yours in Christ,
Dave and Jenny Kleffman

"What Dave is doing through (Re)Inspire Network is something that many pastors have longed for, for a long time. He has created a format for the shepherds of the city to routinely gather to pray, learn, and network. This is good for the health of the pastor and the flourishing faith community."

Steve Roby, Lead Pastor, Waters Edge Church, Virginia Beach

"I have attended several of the luncheons hosted by the (Re)Inspire Network, and have been enriched by the idea of getting church leadership together to learn and to share. I personally receive encouragement from the fellowship generated among the many church organizations that attend. The food is great, but it is made so much more nourishing by the company of men and women who come together in the name of the Lord, and meet each other in an atmosphere of love and respect."

Pastor James R. Boyd, Seed of Faith Ministries, Virginia Beach
