### Instructions

#### Who may use this certificate

Representatives of a veterans organization traveling on the organization's behalf may use this form together with Form ST-119 to certify their exemption from paying state-administered New York State and local sales taxes (but not from locally-administered hotel taxes).

#### To the representative renting the room:

When you have completed Form ST-119.5, attach a copy of the Form ST-119 that the Tax Department issued to your veterans organization, and give both forms to the hotel or motel operator. Show the operator your photo identification, or a current credit card with your signature. If you have neither, or you pay the bill in cash, sign the bill in the presence of the operator so your signature can be compared with the signature on this form.

You may not reproduce this form with signatures. This form is invalid if it includes photocopies of signatures of officers or representatives. Misuse of this certificate will result in substantial civil or criminal penalties, or both.

#### To the hotel or motel operator:

You may exempt the above-named veterans organization's representative from paying state-administered New York State and local sales and use taxes (but not from locally-administered hotel taxes) when renting a room from your establishment if:

- all entries on this form are complete;
- it is signed by both the representative and an officer of the veterans organization (who must not be the same person);

- a photocopy of the organization's Form ST-119 is attached; and
- the representative shows you photo identification or a current credit card with signature. If there is no photo identification, or the bill is paid in cash, the bill must be signed in your presence and you must compare the signature to the signature on this form.

You may accept cash, or the representative's personal check or credit card, but your bill must list the representative and the veterans organization as purchasers of the hotel occupancy.

The representative must present this form before checkout. A separate certification is required for each occasion that the representative rents a room, as well as for each representative of the veterans post or organization.

See N-93-28, *Hotel and Motel Sales Tax Exemptions for Authorized Representatives of Veterans' Organizations*, for more information.

As a New York State registered vendor, you may accept Form ST-119.5 in lieu of collecting tax. You will be protected from liability if:

- you have no knowledge that the form is false or fraudulently given, and you exercise reasonable care;
- the form is in your possession within 90 days of the transaction; and
- all required entries on the form are completed.

**Substantial penalties will result from misuse of this certificate.**
