

Pre-Trip Roles – We need a lead for each:

You can be on more than one.

Community/T-shirt - Responsible for trying to form a community ahead of time; difficult because it is so spread out. Creates a group t-shirt. Organize pre-trip prayer partners. Update the list of missionaries and their emails and phones.

Culture - researches and helps teach us more about Jamaica and MSC. Can make copies of Jamaican info to add to the journal or send by email. Finds creative ways for us to learn more - maybe Jamaica Jeopardy or Guess the meaning of a Patois word?

Journal - works to create a spiritual journal for each of us to keep while on the trip. The basic one is available to be modified.

Logistics - Helps to coordinate our packing night. Needs to check with Delta about regulations and help us gather things once we have a list from MSC. Help the group get through customs easily with the inventory of stuff.

Medical - makes first aid kit to carry with us everywhere. Gets copies of info sheets and makes copies for the trip. Can help get med supplies from wish list & confirm shots, etc.

Music - Works together to plan the music for the trip – can be live and/or CDs to bring. Gets words of songs for Journal. Makes song sheets for the trip.

Spiritual - Works with Janice to plan each night's activities on the trip. Works with our priest to plan liturgies for the trip.
