June 11, 2014

Date of Event: Friday August 8th

Start Time: 7:00pm

Site Location: Harrah's Laughlin North & South Pools and Beach

Harrah's Laughlin is throwing the most outrageous and extreme River Regatta pre-party ever seen sponsored by Red Bull and featuring one of Las Vegas's hottest DJ's, Tatiana. Recognized as the best female DJ in the world, Tatiana currently performs her music magic at events across the country and is an official DJ for a nationally syndicated TV show. Throughout the evening, Tatiana will take center stage at the Harrah's Laughlin beach in a custom built Red Bull MXT Event Truck with a full DJ set-up.

The River Regatta pre-party will be running at high speed starting at 7:00pm in three separate locations along the Harrah's Laughlin beach resort complex including the two riverside pools and the popular Colorado River beach front. Each of the three locations will be highlighted with an individual DJ who will deliver a unique style of music. The crowd of pre-regatta partiers will be able to flow from one location to another without missing a beat.

Red Bull, the primary sponsor for the evening events will provide a VIP Ultra lounge at the beach for those who like to party in style. The lounge will include leather sectional couches, a tent, LED screens and bar service. Additional sponsors include Corona, Jägermeister and Modelo.

The pre-party is a no-cover charge event, free to anyone who wants to have a great time celebrating River Regatta while listening to fabulous tunes along the Colorado Riverfront scene.
