## **ADDITIONAL SERVICES**

### **Simple Wedding Package: \$499**

One photographer for up to two hours. Perfect for very simple weddings – on the lakefront, Mayor's Office or other public official, Commitment Ceremonies, etc. Images are edited, cropped, straightened, color corrected and adjusted for brightness and contrast. DVD of high-resolution images, with key-moment photos either color corrected or in black and white (photographer's choice).

### **Wedding Day Photo Collection: \$199**

Up to 400 4x6 color and/or black & white prints to be used in your own photo wedding album. The precise number of individual photos is the photographer's choice, but will cover the entire wedding day. Photos will undergo post-processing which includes: color correction, white balance correction, cropping, noise reduction and spot removal.

### **Romantic Engagement Session: \$249**

Leading up to your wedding you might choose to have an engagement session which gives you the chance to have celebratory pictures taken of the bride and groom. This session also gives you the opportunity to work with your photographer in a fun and relaxing atmosphere before the big day. The location, clothes and backgrounds are all factors to consider and should reflect the personalities of the couple. These photographs are often used in a coffee table style album to serve as a reception guest book. Includes 5 8x10 prints and all the best photos on DVD.

### **Wedding Rehearsal Dinner: \$249**

Next to the pomp and fanfare of the wedding day, the rehearsal dinner has historically gone undocumented by the wedding photographer. Without photographs of the evening, it's been treasured only in the memories of those who attended it. Well, no longer. Consider photographing the rehearsal dinner to document and capture the entire wedding experience. Includes 5 8x10 prints and all the best photos on DVD.

### **Individual Prints:**

4x6 - \$4

5x7 - \$6

8x10 - \$8

10x10 - \$12

10x13 - \$15

11x14 - \$20

12x18 - \$30

All photos undergo professional post-processing, as well as creative editing and artistic effects – black and white, spot color, vignetting and other editing adjustments.
