THE LONGWOOD CONDOMINIUM ASSOCIATION, INC.

RULES AND REGULATIONS

Some of these rules may be found in greater detail in the primary documents of the Association (The Declaration, The By-Laws, and The Articles of Incorporation). Where any conflict exists these primary documents will take precedent over the Rules and Regulations.

I. GENERAL RULES

A. OFFICE HOURS.

The office is open only from 9:00 a.m. to 1:00 p.m. Monday, Wednesday, and Friday, or at the discretion of the Board of Directors. Office Phone is 561-622-7331.

B. ASSOCIATION EMPLOYEES.

1. Longwood's Maintenance person is not allowed to perform special or personal services for owners.
2. Owners and lessees must not give instructions to, or request assistance from any Association employees or its contractor's personnel.

C. GUESTS.

The owner is required to advise guests of the Association rules and policies. The Declaration specifies specific occupancy requirements. Such person/s occupying the owner's apartment must be advised of the owner's parking space number and location.

D. DELIVERIES.

The Association will not accept any deliveries for owners or other occupants.

E. EXTERNAL BUILDING APPEARANCE AND PORCHES.

1. No drying of laundry, towels, swimsuits or other articles is permitted on patios, balconies or any area visible from the outside of buildings.
2. In order to preserve a harmony of appearance and prevent any objectionable appearance visible externally from a building, any sun blinds or shades used on porches shall be of the roll-up type.

II. SPECIFIC RULES AND REGULATIONS

A. PARKING REGULATIONS

1. Parking is permitted only in assigned spaces.
2. Guests either short term or long term must use only the owner's assigned space or those spaces designated as guest parking.

3. Parking in other than assigned spaces, either open or covered, must have prior written authorization from the owners having the exclusive right to use the parking space. This notice must be on file in the management office.
4. No recreational vehicles, campers, boats, or motorcycles may park in any spaces.
5. No large trucks or any other vehicle having commercial signage either permanent or temporary may be parked anywhere on the Association property overnight. Contractors making repairs or remodeling may park during the hours when work is permitted, but only in the guest spaces or the unit owner's assigned spaces. Any exception must be approved by the President or Vice President of the Association.
6. Car Washing: Cars may be washed with sponge and buckets with water only. No hoses or detergent or soaps may be used in car washing.

B. LAUNDRY

1. Laundry Rooms
 - a) Hours of operation shall be 8:00 a.m. to 10:00 p.m.
 - b) Lights must be turned off when the rooms are not in use.
 - c) Lint traps of the dryers must be cleaned after every use.
 - d) Any items left in the laundry rooms may be removed.
 - e) Please be considerate of your neighbors and try not to abuse this privilege.
2. Individual washers and dryers within the units
 - a) These are permitted to be installed under Section 7.5 of the Declaration.
 - b) Plumbing and Electrical permits are required and the office must be given copies of these permits prior to installation.

C. TRASH DUMPSTERS AND RECYCLE BINS

1. Trash Disposal: All garbage, other than paper and boxes, shall be placed in plastic bags or other impervious containers and tied securely before depositing in trash bins. This is a Palm Beach Health Department regulation. All Palm Beach County recycling regulations must be adhered to; newspapers must be placed in the newspaper bin, aluminum, glass and plastic must be placed in their bins.
2. All boxes must be flattened before putting them into the containers.
3. Owners are responsible for the proper use of their individual garbage disposals and drains and for any problems caused within the building by their improper usage.
4. Large items (i.e. furniture, doors, appliances, mattresses, plumbing fixtures and other large items)

- a) None of these items may be discarded in or near the enclosures or anywhere on the common areas.
 - b) Arrangements can be made by written notice of the owner's desire to discard large items. This notice must be on a maintenance request form. Disposal of these large items has to be approved by the Association and these items must only be put out near the trash enclosures (after approval) on Wednesday mornings before 9:00 a.m. None may be deposited overnight or on any other days of the week.
5. Construction and Remodeling trash disposal are covered in Section D.

D. REMODELING AND CONSTRUCTION

1. Parking
 - a) Contractors can unload items and remove trash in parking areas in front of the buildings even in areas designated as no parking areas.
 - b) Full day parking of the contractor's vehicles are permitted only in the owner's assigned parking space or in guest parking. Any exceptions must have written approval of the President or Vice President of the Association.
2. Renovations or remodeling may be done only between 8:00 a.m. and 5:00 p.m. Monday through Friday. Other than emergencies, no work is permitted in the evenings or on weekends.
3. Construction Debris
 - a) No temporary construction debris containers (dumpsters, bags, or trailers) are permitted anywhere on the Association property.
 - b) Debris must either be left in the unit or removed from the Association common areas daily.
4. License and Insurance. All contractors, before commencing work must provide the Association office with copies of their licenses and proof of liability and workman's compensation insurance.
5. No work in the hallways. All work must be done within the unit, on the patios or balconies or outside the buildings in the courtyard.
6. Hard Surface Floors. All proposed 2nd & 3rd floor installations of hard surface (hardwood, Pergo type, tile, marble, granite are APPROVED finish flooring materials; LINOLEUM, VINYL TILE, OR VINYL SHEET flooring are specifically NOT APPROVED) flooring shall require sound conditioning underlayment with a minimum impact noise rating of IIC 51, and an airborne noise rating of STC 52. Prior to installation, the unit owner must submit to the Association:
 - a) Samples of the proposed finished floor material and sound conditioning underlayment along with

- b) A completed written submission on a form provided by the Association (attached) to be executed by both the contractor (installer) and the unit owner which identifies the specific flooring and underlayment which is proposed to be installed and which rooms are to be affected.
- c) Supporting data on sound testing of the proposed underlayment.

If the proposed underlayment does not meet the required sound transmission standards, the Association has the right to deny its installation and it has the right to specify an underlayment that it does approve. Once approved, prior to the installation of the finished flooring, the Association must be notified when the sound conditioning underlayment is installed so it may be inspected by the Association.

Unit owners will be held strictly liable for violation of these restrictions and for all damages resulting there from, and the Association has the right to require the immediate removal of flooring installed in violation of these rules by written notice to the unit owner. The Association shall have the right to charge a unit owner for the removal of any material which is in violation of this sound control standard, and shall be entitled to a lien on the condominium parcel as provided in the Declaration.

- 7. Patio and Balcony Enclosures. Full porch enclosures of transparent flexible, plastic or Plexiglas sliding panels are permitted to be installed on porches, but must have approval of the Board of Directors. Owners remain responsible for any damage to these special installations because of storm or other damage.
- 8. Hurricane Shutters & Window Replacements. Accordion Shutters (Miami/Dade specs) in a color approved by the Association are permitted. Windows may be replaced provided they are of MILL FINISH on the outside and of similar design as the original windows. The inside color may be Mill, White, or Cream finish only. The Board may approve of specific window designs and manufactures. Other window replacement proposals will require the approval of the Association's Board of Directors.
- 9. Balcony Floors. No carpet or Astro turf like material may be installed on the balcony floor. Tile may be installed provided waterproofing is applied to the concrete as an underlayment to the tile. Association approval of the installation must be obtained.

E. BALCONIES & PATIOS DURING HURRICANE SEASON

- 1. During Hurricane Season (June 1-November 30) any unit left vacant must have all items removed from the patio or balconies or have arrangements made for their removal in the event of a storm
- 2. If any unit is not occupied by a person who is physically able to remove these items, the owner must make arrangements for that person to have assistance to effect this removal in the event of a hurricane. No Longwood employees Officers or Directors of the Association will be available to remove items for individual owners.

3. During a hurricane warning or tropical storm warning for Palm Beach county, all non-fixed articles must be removed from balconies or patios whether the unit is occupied or not.
