

Shalom Baptist Church

Covid-19 (Coronavirus) Update

In order to help minimize the spread of the Covid-19 Coronavirus, Shalom Baptist Church will **close** starting today, March 16th through Monday morning of March 30th. A further assessment of the situation will be made on or before that time. As you know this is a fluid situation and information is subject to change.

This means **all services, events, activities, and meetings will be cancelled during this time.**

Even though the church office is closed, Kelly Bittler, our Ministry Assistant will still be available through email, phone and text if you need assistance or have any questions, concerns, or prayer requests. Kelly can still be reached by calling the church office at 804-746-7737. If you have internet access you can email or check the church's website for information. The church e-mail is shalombaptist@verizon.net and the website is www.shalombaptist.net.

Remember to wash your hands, love each other well and pray continuously!

God Bless!
