A note regarding the PJA Traditional Rank Structure

Sensei Chris Nicholas - PJA President

In 2022, the Senior members of the PJA discussed returning to the 5 Dan structure of Kodengan Jujitsu used by both Master Okazaki and Dai Sensei William Montero. Sensei McKean made the final decision to return to a 5 Dan ranking system in May 2022. This decision included the wearing of only a simple black belt with embroidered kanji of gold or red.

The ranks would be as follows:

- Black Belt - Rank 1
- Advanced Black Belt - Rank 2
- Black Belt Instructor - Rank 3
- Advanced Black Belt Instructor - Rank 4
- Master Black Belt Instructor - Rank 5

The goal of the PJA is to support the Sensei and his Dojo on their path in the Martial Arts. Allowing the Dojo Sensei to choose the path he wishes to follow, allows that Sensei to express his best practice in propagating the teachings of Kodengan Jujitsu.
