

Notice of New Recreational Area Entry Card System

Because parts to the existing recreational area entry system have become obsolete, we will be installing a new entry system on October 16th, 2018. Your existing pool and exercise key card will no longer work after that date. Please continue to use your existing card until we get the new system installed and working. After that, it can be discarded.

The new system will allow for 1 card per household only.

Board Members will be in the clubhouse on Saturday October 20th, 2018 from 10:00 A.M. to 1:00 P.M. to distribute the new cards to owners that currently hold a card and have already paid a deposit. Please make plans to pick up your replacement card on that date.

If you are unable to pick up your replacement card on that date, you can make arrangement with the Association Manager's office to pick up a card on a different day BY APPOINTMENT ONLY. Please call Melissa Dearen at (928) 505-1120 to make an appointment to pick up your replacement card.

Replacement cards can also be mailed to you if you agree to pay a certified mailing fee of \$7.00 to ensure receipt of the card.

If you have never requested or received a recreational area card, you can obtain a card for the first time by completing the form on the back side of this notice and paying the required deposit.
