PG&E & Pool re Clubhouse/Pool Costs

Our PG&E bill at the Clubhouse has increased over the last few years and is one of the reasons we had to raise the dues.

We had a lot of members parties, park get-togethers, and individuals with guests using the clubhouse Pool Table, Ping Pong Table, Library and Swimming Pool.

It is everybody's responsibility to turn lights, heater and air-conditioner off when they leave and many times this wasn't done. Please make sure everything is turned off when you leave.

Our PGE costs have gone up over \$200.00 in some months and our Pool Costs Over \$100 per month in 2017.

PLEASE read your packet as this brings you up-to-date on all information.

POOL & CLUBHOSE CHANGES

Due to rising costs of insurance, repairs etc:

1. Only members, caregivers and caretakers may use the clubhouse and/or pool.
2. Guests may only use the clubhouse and/or pool with an association member, caregiver, caretaker present at all times.
3. No keys are to be given out to anyone.
4. Children in the Pool under 18 must be supervised at all times.
