

## **Before Starting the Project Listings for the CoC Priority Listing**

**The FY 2016 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2016 CoC Program Competition NOFA.**

The FY 2016 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new permanent housing – permanent supportive housing or rapid rehousing, new HMIS, or new SSO specifically for Coordinated Entry projects.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2016 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- Grant Inventory Worksheet (GIW) – Collaborative Applicants must attach the final HUD-approved GIW.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY 2016 CoC Ranking Tool located on the FY 2016 CoC Program Competition: Funding Availability page on the HUD Exchange as this will greatly simplify and assist Collaborative Applicants while ranking projects in e-snaps by ensuring no rank numbers or duplicated and that all rank numbers are consecutive (e.g., no missing rank numbers).
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected: however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

Collaborative Applicants should refer to the final HUD-approved FY 2016 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

**Eliminated Project Name:** SMA Our House East / Golfview

**Grant Number of Eliminated Project:** FL0061L4H041508

**Eliminated Project Component Type:** PH

**Eliminated Project Annual Renewal Amount:** \$61,099

**3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

SMA Behavioral Healthcare consulted with the CoC on criteria necessary to provide a Housing First model and current cost of implementation of this project. Currently the project targets the homeless(not chronic) population. Data indicates that this project was found to be one of the most costly permanent housing programs in the CoC's PSH inventory. SMA also decided that it was not within their mission or vision to fully implement Housing First which also impeded the agency's ability to fully follow the Coordinated Entry process and prioritize all beds for the chronic homeless populations. SMA therefore voluntarily withdrew from the competition to open up this funding for reallocation to other agencies that would be in alignment with prioritizing chronically homeless, facilitating the Housing First model and Coordinated Entry process.

The Collaborative Applicant can wait for the Project Listings to be updated or can log out of e-snaps and come back later to view the updated list(s). To review the CoC Planning Project Listing, click on the magnifying glass next to view the project details. To view the actual project application, click on the orange folder. If there are errors identified by the Collaborative Applicant, the project can be amended back to the project applicant to make the necessary changes by clicking on the amend icon. The Collaborative Applicant has the sole responsibility for ensuring all amended projects are resubmitted and appear on this project listing BEFORE submitting the CoC Priority Listing in e-snaps.

Only one CoC Planning project application can be submitted and it must match the Collaborative Applicant information on the CoC Applicant Profile. Any additional CoC Planning project applications must be rejected.
